## Tee Time Talk at Twin Isles Your Monthly Dose of Golf Tips & Chuckles

### Pro Tip of the Month: Master the Short Game

Want to drop strokes fast? Focus on your chipping and putting. The short game is where the magic happens.

#### Here's a quick tip to get you started:

Use the "Y" Drill.

When setting up for a chip shot, picture your arms and club forming a solid "Y" shape. Keep that "Y" intact during your swing to avoid flipping your wrists. Consistent contact = better results!

#### Bonus Tip:

Practice with just one ball and treat each chip like it's the real deal on the course. Mimicking pressure situations helps build confidence when it counts.

**Crossword Answer Key:** 1. Fairway  
2. Mulligan 3. Birdie 4. Range 5. Beach  
6. Slice 7. Green 8. Eagle 9. Loft 10. Top

## Laughs from the Links

Golf may test your patience, but your sense of humor should always stay in play! Here's a few tee-rific jokes to keep you grinning between swings:

**Q:** What's a golfer's favorite dance move?

**A:** The bogey boogie—best performed after a double.

**Q:** Why did the golfer pack two shirts?

**A:** Just in case he got a hole in one... wardrobe malfunctions happen!

**Q:** Why did the golfer bring an extra pencil?

**A:** In case he had to draw a new scorecard.

**Golfer:** "Is it a sin to play golf on Sunday?"

**Caddy:** "With your swing? It's more of a public disturbance."

## Twin Isles Challenge:

### The "No Mulligan Mayhem" Round

Feeling brave? Next time you tee off, try a full 9 holes with no mulligans, no gimmies, and no complaints. It's a great way to sharpen your mental game and learn to love (or at least accept) your first swing!

***Until next time, keep it on the fairway, laugh at the bad shots, and always repair your divots (your karma will thank you).  
– Your Twin Isles Golf Team***
