GET TO KNOW....

As we kick off the new year, I'm excited to share a fun way to celebrate our amazing team!

Each month, we'll spotlight one staff member in our newsletter, chosen at random from those who filled out a special questionnaire.

It's a chance to discover their stories, passions, and personalities beyond the workplace.

Getting to know them has been awesome—I think you're going to enjoy it as much as I did!"

MEET BILL

Bill is the kind of person everyone calls "Nice Guy Bill"—and for good reason. Whether he's helping out at the cart barn or catching up with friends, he brings a smile and a genuine kindness to every interaction.

When he's not working, Bill loves diving into a good book, keeping up with the news, or heading out on trips. He also gives back to his community as Treasurer and Maintenance Chair of his HOA.

A few of his favorites? Blue tops the list of colors, seafood is always a treat, and country music sets the soundtrack. He's a fan of action and mystery movies, and nothing beats the festive stretch from Thanksgiving through New Year. Sports are another passion—college football and basketball keep him cheering.

Bill enjoys gathering with friends, but what matters most to him is family. He treasures time with his wife of 52 years, and loves being with his daughter and granddaughter whenever possible.

Twin Isles Country Club

JANUARY FUN FACTS

January is filled with extremes. In the northern hemisphere January is the coldest and snowiest month in many places, but in the southern hemisphere January is by far the hottest.

January typically has the second-highest average snowfall of any month in many parts of the Northern Hemisphere, following February.

The lowest temperature ever recorded on Earth (-128.6°F/-89.2°C) was in Antarctica on July 21, 1983.

The United States record-low temperature was minus 80 degrees Fahrenheit, which a weather observer at Alaska's Prospect Creek Camp noted on January 23, 1971. At this temperature, a person's eyeballs can freeze after a few seconds of exposure.

January is National Soup Month in the United States.

National Pie Day, celebrated on January 23, dedicated to one of the most beloved desserts.
